Look through the following CD's for any references to the pamphlet "The Crime Against Cuba," by Corliss LAMONT. I am interested in particular in the copy of this pamphlet which Oswald apparently gave to FBI Agent John L. Quigley on August 10, 1963, in New Orleans.

CD's originating in N.O. : 126, 152, 170, 183, 194, 231, 244, 312, 336,
405, 464, 646, 652, 749, 889, 920, 1351, 1485.

CD's originating in Dallas: 357, 443, 470, 478, 568, 569, 570, 669, 727,
754, 791, ~~807~~.

While you are at it, write down a brief description of each of these ²⁹ ~~28~~ CD's - a line or two with number of pages, topic (if only 1 or 2), whether there is an index and/or synopsis, &c.
